### *Hello Everyone!*

It's been a wonderful summer now that the cooler nights are here! We've been enjoying family and friends and catching up on the many things that can get left behind during the year. I hope your summer has been the perfect combination of escape and relaxation. And, of course, participating in the Mini Mod Challenge which was lots of fun—thanks Irena! I can't wait to see all the mini creations at our September Show & Share.

Planning is well underway for our Celebration of Quilts XIV show in November. We need your help to make the show a success—enter a quilt, buy a show ticket, tell your friends!

If you haven't renewed your membership yet, please do this as soon as possible. It will help us plan numbers for the September meeting and also to make sure your membership card is ready to pick up at the meeting. You also need to be a current member to submit quilts into the quilt show. If you have renewed already, thank you for continuing to support the guild in sharing a common love of a wonderful craft with terrific people.

The executive team is gearing up to welcome you to our first in-person guild meeting since 2020! In addition to our guest speaker, Victoria Carley, we are planning a sale to support Community Quilting—lots of inventory has built up since our last time together. We hope that you are comfortable attending but understand if you are not quite ready. We are following government protocols which recommend, but do not mandate, masks. We ask everyone to be generous with each other's choices. There will be plenty of seating to allow members to space out according to their own comfort zone. Parking is complimentary at Toronto Botanical Gardens on guild meeting nights—no codes required. The September meeting will not be recorded.

Our Virtual Tuesday team of Lori Dunn and Brandie Wolff are busy getting ready to host monthly casual evenings which are tentatively scheduled on the Tuesdays before each guild meeting. Thank you!

And our Community Quilting team is getting back to full speed on Mondays and Tuesdays in person now that September is here and the city venues are available once again. In addition, virtual sew alongs continue on Tuesdays and Saturdays from the comfort of your home. Check the weekly emails for more details.

*I'm looking forward to seeing you soon!*

### Victoria Carley: My Work: Inspiration & Technique

Website: [www.victoriacarleytextiles.com](http://www.victoriacarleytextiles.com)

Victoria Carley will share her unique approach to textile art which combines the tradition of patchwork quilt making with abstract expressionism. She works directly from her title and her selection of fabric without preliminary drawings, which allows her to freely consider the emotions and stories that inspire her work.

Victoria's work has been shown within the curatorial context of visual art, textiles, art quilts, and fine crafts.

## September Meeting Check-In Procedure

It's been a while since we've been able to meet face to face. I'm really looking forward to actually seeing you in person on Tuesday, September 20. Doors open at 6:45 pm.

When you arrive, you will see two or three tables set up at the entrance to the meeting hall. Each table will have a sign with various letters of the alphabet visible. Please look for the sign that has your last name initial—that will be your check-in table. Give your name, get checked in, and receive your new membership card. From there, you can proceed straight into the hall to find a place to sit and enjoy the evening.

Don't forget to wear your name badge. Hopefully we will all be able to find them after two years! New members will receive their badge at the check-in table.

If you can help at the membership tables, [please let me know](#). I will need three helpers for sure. You will sign in members from the provided list, hand out their new membership card, and, in the case of new members, their membership badge. Helpers should arrive by 6:15 pm so we can get set up and organized before members start to arrive.

Please direct any membership questions to me at [yhqq.membership@gmail.com](mailto:yhqq.membership@gmail.com).

## Colourbugs & Curves

When: Saturday, February 25

9:30 am to 3:30 pm

Two techniques in one workshop. In part one, Linda will guide students through her liberating and fancy-free slash 'n sew improv technique while making cute colour bug blocks. No 1/4" seams to follow, no rules, and stress free piecing. Then in part two, she'll guide students through sewing perfect curves with her handy tips and tricks. After a few practice blocks, students are guaranteed to conquer their fear of sewing curves with no tears. Both techniques come together in one workshop while working on this cute ladybug quilt!

Pattern is included and will be shared a week beforehand.

Pattern is included and will be shared a week beforehand.

We have pick up/drop off locations around the city. Please call first to arrange a mutually convenient time.

## Community Quilting Groups

Join a virtual CQ sew-along on Tuesday or Saturday mornings. Zoom links are sent out to all members each week. Or join us in person on Mondays at Stan Wadlow Community Centre or Tuesday at the East York Community Centre. Check your email for registration information.

## Community Quilting Chair

Anne McLauchlan

CQ has been quiet over the summer with people being away and venues being changed/closed to us, but people have still been quilting up a storm!

Over the summer, finished quilts and quilt tops have come in from Leslie B, Jacintha B, Wendy D, Holly D, Del H, Martha H, Deb L, Jan M, Sylvia R, Anne O, Bev S, Ann S, Donnaleen V and others. Sorry if we missed naming you, but the Pony Express has its issues. *All contributions are appreciated!*

Quilt blocks came in from Judy M and Catherine L and fabric donations have come in courtesy of Catherine L and Pat S.

A lot of donations of items for the shop at the quilt show have been prepared by the Monday CQ group. These items will be sold at the shop and the proceeds will go to the CQ program.

A huge box of completed tops (14 shoofly tops), completed quilts, and fabrics have been sent to Quilts for Survivors. Thanks to everyone who made disappearing shoofly blocks for this project, and thanks to Bev S for teaching us all how to make these beautiful blocks!

Ten completed quilts have been delivered to St. Clare Inn, a shelter for women dealing with mental health issues. Thanks to Judy B for facilitating this donation!

Thirty adult quilts and thirty children's quilts are ready to be delivered to Nellie's, a shelter for women. We hope to make another generous donation to another organization in September, before we start planning for our holiday season donation to Nonnina's Table.

*Thanks so much everyone! Keep up the good work!*

## Join the CQ Community

For those of you who wish to participate in our CQ program, you can do so in several ways:

1. Pick up a quilt sandwich at our September meeting. Quilt it, bind it, and bring it back to us at either one of our in-person meetings or one of our drop-off locations when you're finished.
2. Pick up a top kit at our September meeting or from

thank  
you!

one of our drop-off locations. Sew it together and bring it back to either an in-person meeting or one of our drop-off locations.

3. Donate one of your own tops or quilts from your own stash. Just bring the item in to our September meeting or drop it off at one of our drop-off locations.

4. Attend one of our on-line CQ meetings. Our on-line meetings take place from 10:00 a.m. to 12:00 p.m. on Tuesdays and Saturdays.

5. Attend one of our in-person CQ meetings. Our in-person meetings take place:

Mondays at Stan Wadlow Clubhouse, 373 Cedarvale Ave, East York, starting September 19 (assuming the construction goes well!) from 9:30 to 3:00. If you're new to this group, please contact B.J. R to let her know you'd like to join the group.

Tuesdays at East York Community Centre, 1081½ Pape Avenue, East York, starting September 20 from 9:30 to 3:00. If you're new to this group, please contact Anne McLauchlan to let her know you'd like to join the group.

People are welcome to drop in to our in-person CQ meetings to get help sandwiching their own quilts on our raised CQ tables. Sandwiching is much quicker in with a group!

## CQ Drop-off Locations

*Please call ahead to arrange a drop off.*

East End      Irena H

Central      Wendy D.

North      Leslie B.

Anne M.

Please note that Donnaleen is moving in October, so her home will no longer be a drop off location. Thanks so much for everything you've done, Donnaleen!

## Want to Support the Work of Our Community Quilting Group?

While lots of fabric donations come our way, batting donations are few and far between. As a result, CQ always needs money for batting and some basic neutral fabrics.

You can help us raise money for CQ by making items to be sold in the guild shop at the quilt show and directing that the proceeds go to CQ. Guild shop items that are to be designated for CQ can be dropped off to Ann S.'s table at the September and October guild meetings. Alternatively, you can drop items off at any of our CQ drop off locations no later than October 18, 2022.

## CQ Fabric & Notion Sale

CQ receives lots of donations of fabric and notions, which we use to fund our charity quilt program. Sometimes, there are fabrics and notions which aren't needed and we offer them for sale to our members to raise money for needed batting and fabrics. During Covid, we received lots of donations for CQ. As a result, we have an extravaganza of fabrics and other items which will be offered for sale, included wonderful sets of co-ordinated fabrics put together by the amazing Bev S.

Bring your loonies & toonies to the September and October meetings to score some amazing deals!

### Enter your Quilts

Deadline is Sunday, September 18.

The deadline to enter is less than a month away—September 18! Are you working on your latest quilt, or narrowing down your selection from quilts you've already completed? Do you have a "Covid quilt" you completed during lockdown?

As soon as you're ready to enter your quilt, [please complete the online form](#). We hope to have at least one quilt from each guild member to show the diversity of our guild. Our community of quilters ranges from beginners to international award winners, from traditional to modern, and everything in between. Let's reflect this in our show!

We also need a photo of your quilt. Please email [yhqg.quiltshow@gmail.com](mailto:yhgq.quiltshow@gmail.com) (just a quick snapshot will do). You can enter up to three quilts or quilted items. Just rank them as your first, second and third choice. We hope to display all entries, but we won't know whether that's possible until we have all of them submitted.

Is your membership up to date?

Please be sure to [renew your guild membership for 2022/2023](#), as you need to be a current member to enter quilts.

## Guild Shop at Celebration of Quilts XIV

Friday, November 11 & Saturday, November 12, 2022

The Guild Shop provides a great opportunity for YHQG members to show and sell their “one of a kind” creations to show attendees, just in time for holiday gift giving! Any member who has a quilt hanging in the show is eligible to submit items for sale in the shop. You set the price and the guild retains 15%, so there's a nice fundraising element as well! New for this year, CQ is looking for donated items to sell in the shop.

The shop is organized in categories—baby, kitchen, holiday—so items should fit into one of these groups and must be quilted or “stitched”. Quilted items include small baby quilts, wall hangings (less than 30” x 40”), table runners, placemats, postcards etc. Non quilted items might be things like bags, oven mitts, pincushions, needle cases, aprons, fabric toys, holiday ornaments, etc. If you have a quilt 30” x 40” or larger, you can choose to price it and hang it in the display area. If it sells, the transaction will be processed in the shop, with 15% going to the Guild.

Important dates: Tuesday, November 1—last day to submit inventory sheet(s)

Thursday, November 10, 10:00 am to 12:00 pm—bring items to the shop

Saturday, November 12, 5:30 pm to 6:30 pm—pick up unsold items

[Visit the YHQG website for more information about the guild shop.](#)

## Welcome back to the library after being separated for so long!

For those of you that have been holding books since before Covid closed us down, please ensure that they are returned at the September meeting. If you can't make it, please ask a friend to return them for you.

The library will be open at the September meeting in the same two spots.

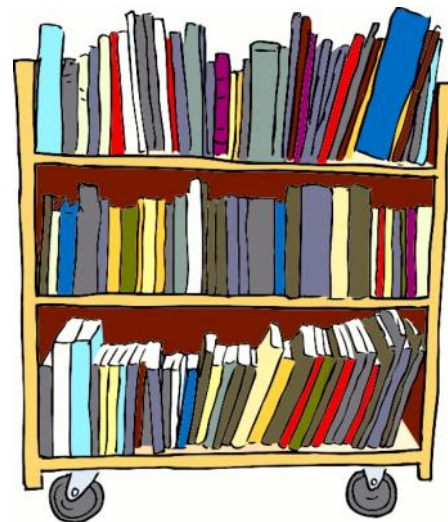

1. The north wall—just inside the entrance to your left as you enter the hall.
2. In the kitchen—enter through the double doors about half way down the north wall.

Check out library books, videos, etc. in the kitchen at the east end. Please show your membership card to sign out library material and then exit the kitchen through the doors at the east end, just past the check out counter.

Unfortunately I may not be in attendance at the September meeting as I will still be recovering from surgery. My helpers are aware of the situation, so all the books may not be on display. If you have a particular request, just ask one of them and they will help you find what you want. I trust this will not make things too difficult for any of you.

Over the past two years we have had many donation: books, magazines, patterns, etc. We plan to hold a library sale at the October meeting. More details to follow. A big thank you to the many members that made donations.

## Members' Tips

This month's tip is from Fran A.

"I went today to Danforth Knife Sharpening and got four pairs of very dull scissors revived. I needed to call or text 416.827.0203 to make an appointment. Ted replied very quickly and we set up time for the next day. I went to his house at 107 Strathmore (Donlands and Danforth), he took my scissors while I waited on a little bench on his porch, and 15 minutes later they were done for \$20 a pair. Convenience personified IMO."
